TV Ears Voice Cord Instructions

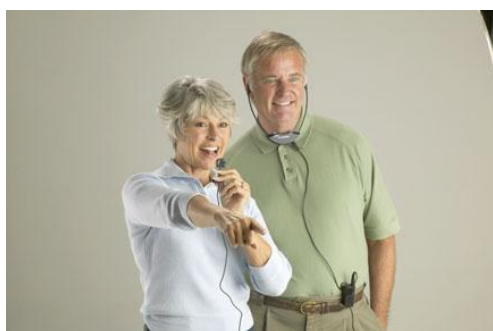

Power Microphone

Voice Cord

Extender Cord

**Insert Power
Microphone
plug into the
Voice Cord
jack**

**Insert voice cord plug into
the “Accessory” jack on
your headset**

**Velcro the Power
Microphone to the
Voice Cord by
removing the thin
protective covering
on the Power
Microphone**

Add more length to your audio cord using your Extender Cord.

Simply connect the Extender Cord between the Power Microphone and Voice Cord.

Battery Replacement

To replace your battery follow the directions below:

The voice cord is the small black box and requires only ONE 'AA' battery

To place battery into battery pack, remove the screw with a small Phillips head screwdriver

Place the 'AA' battery into the empty slot marked UM 3x2 in the battery pack
